**Supplemental Type Certificate**  
(Continuation Sheet)

*Number* SA395NE

Date reissued: January 24, 1986

Date revised: June 8, 1987

Limitations and Conditions (Continued):

3. This installation provides a source of A.C. power, provides provisions for passing power through the pressure bulkhead but does not approve the wire installation or connection to any appliance.

This approval should not be extended to other specific airplanes of these models on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of the other previously approved modifications will introduce no adverse effect on the airworthiness of that airplane.

...END...

---

*Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both.*

INSTRUCTIONS : The transfer endorsement below may be used to notify the appropriate FAA Regional Office of the transfer of this Supplemental Type Certificate.

The FAA will reissue the certificate in the name of the transferee and forward it to him.
